Get more out of what you put in.

Spring is here, and although the weather hasn't been kind, the fish are starting to wake up, the team have been busy as usual out on the bank and planning new adventures for the year ahead, and there's been a few great catches too! Why not check out our Facebook chat page, ask the team some stuff on rigs or tactics, ask about the baits, venues or whatever you want to talk about! [Feel free to join in!](#)

Neil Thomas, Team manager

2017, New Water, New Campaign.

The last 6 months have been some of the most trying I've ever had due to one thing and another and due to that my fishing had taken a back seat.

Well 2017, I've decided enough was enough and I've started looking around for places to fish which had target fish I was after, close enough to home and where I could bring the kids along as they love coming fishing and building dens.

I started looking around at syndicate waters but living in Warrington there isn't much around without travelling. I started looking at club waters and after a bit of digging I've found my water. It's about 5 acres in size with some good fish in.

sorry that's all I'm going to say at the moment .. watch this space Neil

Gav and Adam took to the river bank in hope of some nice Barbel, after a long day the pair were almost on pack up time. However, just at the finish they both managed to net not only two stunning fish but two new PB's—9lb 8oz & 10lb 12oz. A day to remember!

Team member Jonathon Wells had a Successful trip to Drayton. 8 fish and a new pb of 20lb 9! Caught on Mussleberry Reds with a PNBA plug, Trigonella wafers and the biggest on a Tangz Plug as a pop up.

Team member Harry O'Neill (above) with this immaculate common which was caught with Excelsor. Top Angling Harry!

Our dedicated match team have been out on all waters throughout February with fantastic results as always. Brian & Stewart had a great day at Lloyds meadow and Gawsworth Hall fisheries, recently. The team have also taken on a local venue Sephton Farm fisheries, which they are looking forward to fishing through Summer, and Barry has found a new target venue— Ince Blundel Fishery.

Team member Steven Schofield 'enjoyed' some challenging weather conditions over on Millbrook Fisheries, where the hospitality was a lot warmer than the cold blustery wind! Taking two mirrors at 17lb and 19lb 6oz, on a combination of his custom bait from us and Trigonella, both with Adjusta Plugs in his hook baits.

A sneak peek at what's coming soon....
