Get more out of what you put in.

February has arrived and its finally starting to warm up a bit! We had our first team meeting of the year at the end of January to discuss plans for the coming months and in this issue we take a look at what's been going on through January and what's happening in the months ahead. Why not check out our Facebook chat page, ask the team some stuff on rigs or tactics, ask about the baits, venues or whatever you want to talk about! [Feel free to join in!](#)

TEAM BEECHWOOD NEWS

Beechwood Baits have Launched a set of challenges for its team of anglers , There is always a twist to the challenges hence the name "Team Twister". Each challenge gains points . The end result being the prestige of Beechwood Baits Angler of the year. The monthly newsletter will keep you up to date with each twist along with progress and results. Best of luck to all the team.

The first Team twist saw Barry Smith and Brian Coakley take the Rod VS. Pole challenge . Barry fished the Rod and Brian the pole.

The twister was aimed at silver fish only with Maggots and Hemp oil. Two 3 hour sessions and a weigh in at the end . Biggest weight won .

Gav Astley was on hand to affiliate and capture the event and there is a blog [Rod vs Pole](#) and video for you to watch. [Click here](#)

Well done to Brian Coakley for winning the first challenge and tops of the leader board

Barry Smith has discovered a hidden gem on his doorstep, 6 very old ponds all interlinked and spring fed with wild carp residing . If you are following his blog into specimen carp fishing "Back to school – The water shot" his latest recon session saw him scope out this water , gain as many insights as he could with the aim to eventually put one of these old Northern carp on the bank . His Blog is up and available to read [Wild and Wise](#) also a [video](#) to give you an idea of the challenge that lies ahead for him.

Stewart Rusling visited Lloyds Meadow Fishery in Chester for a midweek session in January to target the new mirror carp that had been added to their "Badger" pool. Having a great day and catching plenty of the new carp , the day was topped with a visit from Andy May who was filming for an article on silver fishing on "heron" pool. Mr Ooosshhh Himself.

Brian Coakley visited Manley old Hall on 11th January armed with expander pellets , maggots and Beechwood baits hemp oil . Fishing was tough on "cherry pool" but Brain loves a challenge and managed to put plenty of fish in the net on a day when the weather was very challenging.

Brian was also introduced into Badger lake at Lloyds meadow with Danny Stone , Callum Cavanagh Michael Gittins and Ian Adams Despite the snow, wind ,rain and no sunshine he had a fair amount of the small carp!

Andy and Denis paid a visit to Denhall fishery Ness for quick over nighter end of Jan, these guys are also starting to prepare for the world carp masters again this year, exciting stuff!

TIP OF THE MONTH by Gav

At this time of year concise and accurate feeding is paramount, Excelsor pellet and stick mix is ideal for this application
